THE YOUNG PEOPLE'S OWN STORE
BINSON & THORNE CO.

1518-1520 Farnam Street

Johnson-Danforth Company's DELIVERY WAGON LINE

is the largest and most varied in Omaha—We have two grades—**High Grade—Medium Grade**

Our high grade includes a very large selection of the celebrated Racine brand made wagons, splendidly constructed and right up-to-date in every particular. The Racine wagons are strictly A-grade, and will meet the requirements of the hard use to which wagons in our city are subjected. We sold 23 of them last year and we can show many testimonials and have more satisfied customers than any other concern.

Our medium grade comprises such well known wagons as The Armadillo, The Regal and The Columbia.

We are making prices on this line of work that will interest you. We have a blacksmith shop running at full blast, and we can build you any kind of wagon you may want.

Call and inspect our product, or write for catalogue and prices.

"Gas Service" A Reminder

As we have frequently stated, we want you to have perfect lighting service and in order that you may have it we want your co-operation.

We therefore ask you two questions:
First—Are your lights giving satisfaction?
Second—If not, why not?

Should your answer to the first be "No," then the answer to the second is "Because you haven't notified us."

We make lights satisfactory. It's to your interest and ours to let us do it for you.

Omaha Gas Company

AUGUSTANA SYNOD ELECTION

Annual Meeting of Lutheran in Omaha Churches Old Officers—in Session Until Saturday.

All officers of the Nebraska conference Augustana synod of the Lutheran church were re-elected at the opening session held Thursday morning at Salem church. Twenty-third and Vinton streets. The officers are: President, Rev. F. N. Swanberg; first vice president, Rev. C. F. Sandall;

Hood's Sarsaparilla
Cures All Spring Ailments.

Mrs. Marion Bruce, Cumberland, Me., writes: "I have taken Hood's Sarsaparilla for a great many years, and I think it the best blood medicine in the world. I take it both spring and fall. This last winter and spring I was in very poor health. I was weak and had lost all my appetite and was all run down. As soon as I began to take Hood's Sarsaparilla, my strength came back and my appetite returned. I am now well, do not need medicine, and no longer have that listless feeling."

Oakland, secretary, Rev. J. Ekholm, Ph. D., Newman Grove; treasurer and statistician, J. A. Helgren, Omaha.

The hearing of the report of the executive committee reports occupied the remainder of the day. The session will probably close Saturday.

Reports show that contributions to the purposes of the church average \$1.11 per capita for the membership of the churches of the conference.

The first meeting was held Wednesday night, when Rev. F. N. Swanberg delivered a sermon.

PRISON FOR MINE PROMOTER

William S. Phillips, Who Sold Bogus Stock Through Mails, Given

CHICAGO, April 14.—William S. Phillips, president of the American-Mexico Mining and Development company was sentenced to three years' imprisonment and fined \$10,000 by Judge Landis in the United States district court here today. Phillips was found guilty on a charge of using the mails to defraud. The defendant was alleged to have sold \$200,000 worth of stock in the mining company and to have paid large unearned dividends out of money received from purchasers of the stock.

ALL FEES GO TO THE STATE

Attorney General Byers Issues Opinion in Respect to Case.

MONEY FOR BODIES DIVERTED

Records Show No Transfer of Same Made in Past—Suits Began Over Rock Island Railroad Week.

(From a Staff Correspondent.)

DES MOINES, Ia., April 14.—(Special Telegram.)—Attorney General Byers today issued an opinion for the benefit of the State Board of Medical Examiners in relation to the fees of the office, holding that all fees of every kind must be turned into the state treasury. The occasion for it arose from the fact that Secretary Sumner had on hand over \$600 in fees received largely from collections on account of bodies sold for dissecting purposes, which he did not know what to do with.

The records of the office fail to show whether any such fees have been received before or, if received, what was done with them. The secretary asked for instructions. It is believed that the disclosure will show that not all fees which are due the state have been turned over in recent years.

First Rock Island Suit.
The first suit growing out of the wreck of a Rock Island train at Green Mountain was filed in district court in Keokuk today. It was a suit for \$25,000 for the death of Vera Pennington. She was not injured in the wreck, but her husband was killed outright and a few days later she gave birth to a child, following which she died, and the claim is set up that her death was indirectly due to the railroad accident.

Garfield Comes to Des Moines.
James R. Garfield, secretary of the interior under President Roosevelt, has accepted an invitation to be the principal speaker at the annual banquet of the Grant club, April 25. Mr. Garfield will come to Des Moines on that date directly from Denver.

New Bank Organized.
The State Bank of William filed articles of incorporation with \$25,000 capital; also the Central Park Fuel company of Cedar Rapids with \$25,000 capital; also the Pomeroy-Palmer Mutual Telephone company with \$50,000 capital.

Dairy Commissioner Change.
W. B. Barney of Hampton spent the day here in conference with H. R. Wright, preparatory to taking over the state dairy and pure food department the first of next month. The entire force of the department was present and the new head was introduced to them. It is understood that no changes in the force will be made, at least at present. The work of the department extends to every part of the state.

Change in City Officers.
The city council today re-elected a majority of the old officials including the city collector and assistant, but made a change in regard to night captain of police, removing Chief Ab Day, who has long been in the force. This was the last of the tendency of the council. It is taken to mean a decided letting down on the election of a more liberal city and freedom for many things.

Candidate for Head of Elks.
The Iowa City Benevolent Protective Order of Elks lodge is booming George T. Reddick, formerly editor of the Iowa City Republican, as candidate for the first vice president of the Iowa State Association of Elks and has instructed its delegates to be selected later to vote and work for his nomination at Marshalltown, June 15 and 16.

Telephone Company Increases.
Amended and substituted articles of incorporation were filed in the office of county recorder by the Iowa Telephone company, providing for an increase in capitalization from \$400,000 to \$1,000,000. The increase was voted last week by the board of directors for the purpose of taking over the Mutual system and increasing the efficiency of the system and the mileage throughout the state. The old officers and board of directors were named.

Association Disbands.
The removal of A. G. Miller as chief of police of Des Moines puts the last of the members of the Iowa Association of Chiefs of Police elected here last fall into the discard. Mr. Miller was elected president. Henry Olsen, of Fort Dodge was named vice president and he has been deposed. W. J. Vannatta of Muscatine, second vice president, is no longer a chief and John Dineen, secretary-treasurer, of Sioux City resigned when the commission plan carried in that city.

Still in the Race.
Congressman J. A. Hull today filed his nomination papers as a republican candidate for congress for a tenth term. He has not as yet opened headquarters, but his campaign has been in charge of Postmaster Myerly and the pension agent and is said to be in excellent shape.

There was also filed with the secretary of state the nomination papers for H. J. Pfeiffer of Cedar Falls as a republican candidate for senate in Black Hawk and Grundy; also for J. A. Cousins for representative in Chickasaw county; also for E. E. Wakefield for democratic candidate for the legislature in Adair; also for M. W. Truxew for representative in Washington county.

Conference on Education.
The annual conference of the county superintendents with the Department of Education has been called by State Superintendent Riggs for April 23 in the office of the state superintendent. The first day will be devoted to "The Teacher," and the second day to answering the question: "How may we secure the best results in the one-room rural school?" Other topics will be that of the high school and the law enforcement by the county superintendent.

Cost of Living Is Too High.
The regular army officer who has been assigned to duty with the Iowa guardsmen in the northern part of the state the last year and who has been traveling about giving instructions to the companies, has requested that he be relieved and returned to his regiment. He states in a letter to General Logan that he cannot pay hotel bills on the \$150 a day allowed him and that the hotel prices are invariably more than that in Iowa.

Most Go on as Independents.
Secretary of State Hayward has ruled that in counties where the third parties have a right to a place on the official ballot because of having cast more than 2 per cent of the vote in the county, the candidates must be selected under the primary rules or go on as independents. In other words, if in any county a socialist or prohibitionist ticket is entitled to recognition, then use must be made of this privilege if the candidates were to be recognized.

College Work is Broken Up.
By reason of the plans of the new State Board of Education for having a complete reorganization of the state college at Ames, the report is that the college work is much interfered with. The resignation of the president, followed by the resignation of others of the faculty, and constant rumors as to many other changes to be made, has caused unrest in the whole college. There

is also belief that it is the plan of the administration to take the engineering department in Iowa City. Practically nothing has been done in regard to selecting a successor to President Storms.

Supreme Court Decisions.
C. S. Blackett, appellant, against S. B. Zeigler, from Fayette county; reversed. Bottineau Land and Loan Company, appellant, against Henry Hintze, from Scott county; affirmed. Ed Fitzgerald against Peter Flanagan, appellant, from Allamakee county; affirmed. Daniel Shea, appellant, against Catholic Society of Webster City, from Hamilton county; affirmed. Charles P. Deutmann, appellant, against Mrs. M. Kuntze, from Mills county; affirmed.

Nebraska Will Fight Rugby Game

Chancellor of Nebraska University Gives This as Attitude on College Game.

LINCOLN, April 14.—(Special.)—"The University of Nebraska will have no support from the trustees in trying to substitute Rugby football for the American game when the representatives of the various colleges in the Missouri valley meet at Kansas City next Tuesday. Nebraska will lend its aid to reform the game, but not to abolish it."

This is the opinion of Chancellor Avery's declaration in respect to Nebraska's stand on foot ball. He said this in private to a delegate from the students who had gone to the chancellor for the purpose of ascertaining how the Nebraska representatives at the Kansas City meeting next week stood. Chancellor Avery said he and the Board of Regents had discussed the foot ball question and that they had decided the game was too valuable to be lost to the colleges of this section.

Regent George W. Lyford assured the fraternity men at their banquet last night that the regents would not retain the American game and that they would not consent to have it removed from Nebraska. He said all were agreed that it would have to be reformed, though, and that the regents of this school would lend their aid to get a safer game.

Chancellor Avery will represent the Nebraska faculty at the Kansas City meeting next week and will vote against the abolition of the American game. This meeting of April 19 was called at the request of the Kansas Board of Regents by Chancellor Strong of that school. Regent William Allen of the University of Nebraska caused the agitation at Kansas against foot ball, and had a motion passed to call the Kansas City meeting.

Nebraska's stand has been made known to Kansas by Chancellor Avery, who wrote Chancellor Strong that the way to reform foot ball is not to abolish the American game. He said Nebraska would not consent to play Rugby.

The athletic board this afternoon voted to send President Richards to Kansas City as a representative of the athletic department. He will oppose all radical anti-foot ball legislation.

He will confer with the other Missouri Valley conference representatives regarding summer base ball rules. He has instructions from the Nebraska board to attempt to have the anti-summer ball rule abolished. He will bring the matter before the college presidents who are gathered at Kansas City.

At the meeting of the athletic board today W. H. Hutchingson was elected captain of the Cornhusker basketball team for next year. It was his honor for the first time last winter.

The Nebraska base ball team will return to Lincoln tomorrow. Manager Eager was not able to schedule any games for Friday and Saturday to fill the dates left vacant by the cancellation of the contests with Kansas, so he ordered the team to return home.

In the games with Manhattan yesterday and today the Nebraska team was considerably handicapped by the absence of Ole Metcalfe from the lineup. Metcalfe missed the train to Manhattan yesterday morning and could not get there for yesterday's game. He did not care to go for one game, so remained here. He plays shortstop on the team and his absence from that position leaves the team without a suitable player to handle the work there.

The Weather
For Nebraska—Friday fair, cooler.
For Iowa—Threatening rain, colder.

To Be Rosy and Well

The right kind of food—not drugs—is necessary.

Grape-Nuts

The world-famous food scientifically made of whole wheat and barley, contains the blood-making tissue building, elements of these field grains, including the natural phosphate of potash (grown in the grains) which nature uses in making new brain and nerve cells.

In the manufacture of Grape-Nuts the starch of the grains is predigested—changed to a form of sugar which is quickly absorbed by the blood, and the user soon shows better color, and increased vigor of body and brain.

A few weeks' regular use of Grape-Nuts will show anyone.

Substitutes Are Dangerous

Beware of Imitations, Substitutes and "Just as good as."

Unscrupulous dealers, mindful only of their profit and caring nothing for the health of their patrons, are offering for sale low grade mixtures, which they tell you are "as good as Duffy's Pure Malt Whiskey."

Some go so far as to try to make you believe it is Duffy's Pure Malt Whiskey. These cheap concoctions are foisted on the people with the intent to deceive.

When a remedy has been before the public for more than half a century, has been prescribed and used by the best doctors and in prominent hospitals, and has carried the blessing of health into so many thousands of homes as Duffy's Pure Malt Whiskey has, imitations are bound to arise. They may imitate the bottle and label only—no one can imitate the contents.

Facsimile 1/4 regular size.

Political Angles of Cooper Case

Enemies of Governor Intimate that Early Primary Was Called to Influence Court's Decision.

NASHVILLE, Tenn., April 14.—Nashville has quieted down today after the excitement of yesterday, attending the action of the supreme court and the governor's subsequent pardon in the case of Colonel Duncan B. Cooper, sentenced to twenty years in prison for the murder of former United States Senator E. W. Carmack. Although there was much excited comment on the streets and in public places, until late last night there has not been any indication of anything approaching disorder. Both Colonel Cooper and his son have thus far declined to make any public statement.

Governor Patterson has made no comment on his pardon for Colonel Cooper and has denied himself to all interviews. The case of Robin Cooper, who is at liberty on bond, will be taken up with the May term of court, according to an announcement by Attorney General Jefferson McCann. Meanwhile, with a primary to make nomination for the governor and state judiciary less than two months off, the political cauldron boils. Enemies of the governor use the calling of this primary, embracing as it does the nominations for supreme court judges, as an attempt by the executive to hold an axe over the supreme court, which had the Cooper case under advisement at the time the call was issued. As to the governor, the campaign will, it is thought, be waged on the prohibition issue.

The supreme court this afternoon reduced the bail of Robin Cooper from \$25,000 to \$10,000.

Big New Plant for Maney Mills

Company Agrees with Commercial Club on Arrangements to Replace Burned Structure.

The Maney Milling company has entered into a definite agreement with the Commercial club for the rebuilding of the plant destroyed in the \$1,000,000 elevator fire, which wiped out the Sunkist mills and the Nye-Schneider-Fowler plants. The millers have the assurance of the Commercial club that all influence will be exerted for the installation of ample fire protection in that district.

The new plant is to have a much greater capacity than the one destroyed by fire. The builders declare that they will put in mills which shall surpass in perfection even the old plant. Six-story building of brick for the mills and a warehouse of three stories with elevator of 100,000 bushels capacity will be erected.

Requisition for Frank K. Hoffstot

Governor Stuart Calls for Return of Former Pittsburg Banker, Who is Now in New York.

HARRISBURG, Pa., April 14.—Governor Stuart today signed a requisition upon Governor Hughes of New York for the return to Pennsylvania of Frank K. Hoffstot, wanted in Pittsburg on bribery charges. District Attorney William A. Hakeley of Pittsburg received the papers in person.

Mr. and Mrs. Schickelshans Home. ST. PAUL, Neb., April 14.—(Special.)—At St. Paul, Neb., a prominent factor of the business residence of Mr. and Mrs. Z. T. Leff, which a reception was given yesterday evening on the occasion of the homecoming of Mr. and Mrs. Harry Schickelshans from their European tour. Mr. Schickelshans has been a prominent factor of the business life of this community for more than a quarter of a century and a leader in republican political circles and an ardent worker in all matters of public welfare. Last September he married the widow of the late A. B. Huberman, one of the pioneer business men and speculators of Omaha and a close associate of many of its older citizens. Shortly after the marriage Mr. and Mrs. Schickelshans made an extended trip to Germany, from where they now return to resume their home in St. Paul.
